COMMAND HISTORY
USS JARRETT (FFG 33)
CALENDAR YEAR 1994

1. Command History and Organization.

The mission of USS JARRETT (FFG 33) is to conduct worldwide prompt and sustained combat operations at sea, in support of national policy. The ship contributes to accomplishing the functions of sea control, with its lesser included function of sea denial and projecting naval power from those areas under United States control. The FFG-7 Class Guided Missile Frigate is fully capable of operating as a member of a Carrier Battle Group, or assignment to protect an Amphibious Task Group, underway replenishment group or convoys.

USS JARRETT (FFG 33) is currently assigned to Destroyer Squadron Thirty Three and is commanded by CDR T. J. Moyseowicz.

3. Summary of events.

During 1994 JARRETT was underway for approximately 150 days without a single missed commitment. JARRETT's operational environment involved direct participation in out-of-area training exercises with the ESSEX Amphibious Ready Group (RIMPAC), the CONSTELLATION Battle Group (work-ups and FLEETEX) and the Surface Action Group (MEFEX). During western pacific transit, JARRETT participated in two real world search and rescue operations on short notice tasking. JARRETT embarks a Personnel Exchange Program (PEP) volunteer, a Chilean Naval Lieutenant and conducted several temporary exchanges with foreign naval units. JARRETT is currently deployed with Middle East Forces in the Arabian Gulf. Scheduled return, 25 April 1995.
