NOTE: The history and lineage for VF squadrons does not include history or lineage for VOF (Observation Fighter Squadrons), VGF (Escort Fighting Squadrons), VBF (Bombing Fighting Squadrons), XVF (Experimental Development Squadron) and reserve fighter squadrons prior to 1970. Reserve fighter squadron lineage is listed only for the period beginning in 1970. Prior to the reorganization of the naval air reserve squadrons in 1970,

reserve squadrons were not permanently assigned aircraft and did not submit unit histories. If a reserve squadron was called to active duty prior to the 1970 time frame then a lineage for that unit will be listed.
