EXTENSION OF THE PRIVATEER PENSION FUND.

COMMUNICATED TO THE SENATE, FEBRUARY 2, 1824.

Mr. LLOYD, of Massachusetts, from the Committee on Naval Affairs, to whom was referred a resolution relative to the Privateer Pension Fund, reported:

That, by a law of the United States, passed June 26, 1812, entitled "An act concerning letters of marque, prizes, and prize goods," it was enacted that two per centum on the nett amount, after deducting all charges and expenditures of the prize money arising from captured vessels and cargoes, and on the nett amount of the salvage of vessels and cargoes, re-captured by the private armed vessels of the United States, shall be secured and paid over to the collector, if such captured or re-captured vessel may arrive in the United States, or to the consul or public agent of the United States, residing at the port or place not within the United States, at which such captured or re-captured vessels may arrive; and the money arising therefrom shall be held, and is hereby pledged, by the Government of the United States as a fund for the support and maintenance of such persons as may be wounded or disabled on board the private armed vessels of the United States, in any engagement with the enemy, to be assigned and distributed in such manner as may, thereafter, be by law provided: that, by a law of the United States, passed February 13, 1813, entitled "An act regulating pensions to persons on board of private armed ships," the Secretary of the Navy was required to place on the pension list, under the like regulations and restrictions as are used in relation to the
